VETERAN'S AID

Veteran's Shelter

COLLECTION

OCTOBER 1 - NOVEMBER 7

We are collecting essential items to support our veterans, and your contributions can make a big difference! Items needed include backpacks, socks, dry foods such as beef jerky and mixed nuts, and personal hygiene products like toothpaste, soap, and deodorant and financial donations to help keep shelters afloat. These donations provide veterans with basic necessities and show appreciation for their service. Your donation will go to help veterans close to home - in Salem, Va and through our regional veteran's council. Every little bit helps to bring comfort and support to those who have sacrificed so much for us.
